

COVID INFORMATION FLOW CHART FOR PARENTS/ CARERS

The main symptoms of COVID 19 are:

- Fever
- New continuous cough
- Loss or change of taste or smell

Pupils should do Lateral Flow Tests at home twice per week – preferably on Monday morning and Thursday morning before coming to school.

Please note : Lateral Flow tests do not work if you have any symptoms

* Close contact will mainly be:

- Household contacts
- Overnight Stay contacts
- Intimate/ Kissing contacts
