History of Guide Dogs

Our Aim

The Charity

‘The work that we do at Guide dogs is possible due to the fantastic support of more than 16,000 volunteers across the UK. We simply couldn’t survive without their commitment and creativity’

‘Our volunteers gave more than 19 million hours in 2015 to help guide dogs get more people with sight loss get out and about and live life the way they choose’.

- And to speak to us today is Catherine Steel, a guide dogs volunteer.
