S2-S6 CAREERS AND OPTIONS EVENING 5TH FEBRUARY 2020

Dear Parent/Carer

Wednesday 5th February will see the return of our popular Careers and Options Evening, running from 6pm until 8pm. This event is for pupils and parents/carers.

The event will have speakers, including a current Modern Apprentice sharing their experiences, Skills Development Scotland giving details on all the different pathways to a career that pupils might take, and a representative from Ashleigh (Scotland) Ltd.

As with previous years we will have stalls run by Universities, Colleges, Industries/Employers and other organisations. In the Museum our teaching staff will be in subject areas to give information about the progression routes through their subjects.

This year we will also have drop-in workshops running on Medicine, Law, Teaching, STEM, Graduate Schemes and Application & Interview Technique.

Numbers for the event are limited so we would recommend that you book your place using the link provided:

<http://bit.ly/Marr2020>

You will also find the link on the school Twitter account, school website and on the Show My Homework event posting. Please do not hesitate to contact us if you have any questions about the evening,

Yours Faithfully,

David Alford & Robert McLaughlin
