Your Timetable

You can use this page to record all your prelim assessments being held in January 2024. Please write in the table below the dates and times (periods) of your assessments and prelims to make sure you have a note of the correct day, time and location.

Here's what to do...

1. Write the name of your subject in the first box
2. Look at the assessments/prelims timetable
3. Work out which assessment/prelim time matches when you attend this class on your timetable
4. Record the date and periods for the assessment/prelim
5. Do this for all your subjects
6. Check with your class-teacher that the date and periods are correct

Subject	Date	Period(s)

Prelim Assessment Rules

Prelim assessments will be held mainly in the Museum though sometimes the Assembly Hall too along with other specific rooms.

On arrival...

- you must sit in the seat allocated on the seating plan and/or by the teacher/invigilator
- wait for instructions from the invigilator and/or teacher before starting the assessment or exam
- bags are not allowed in the exam hall or room but you can bring an outdoor jacket which you should place over the back of your seat during the exam/assessment
- note the items below that are not permitted in the assessment or exam room

Mobile phones

Electronic devices such as iPods, tablets, smartwatches or any other device that stores information or can connect to the internet

Extra information – books, notes, sketches or paper, and anything written on your clothes or body

Pencil cases or calculator cases

Calculators, except for exam papers where calculators are allowed

Dictionaries, except for exam papers where dictionaries are allowed

If you are not able to sit an assessment or prelim exam, for example if you are unwell that day, you will be able to sit at another time which you can arrange with your teachers.
