Dear Parent/Carer

Following issues that were raised at the September Parent Council meeting regarding fighting within the community by a very small minority of students, I wrote to all families in S1 and S2 outlining the strategies that the school has in place. Since then it has come to my attention that there may still be some concerns regarding this issue.

Please be reassured that the school Behaviour for Learning system is being fully implemented. Details of this are in the student planner.

The Senior Leadership Team and staff are vigilant in their duty of care – keeping our young people safe within school ground. There have been very few incidents in school since before October break. Any occurrences of indiscipline that you may have heard about are being dealt with immediately, and sanctions for those involved are in place where incidents take place within the school ground.

We will continue with our programme of education that both teaches and supports students in respect, discrimination and tolerance. Planned activities and specialist input including our campus Police Officer are already in place. Our senior students also buddy our new S1 cohort.

I hope that this will allay any fears you may have. In addition, your support in discussing our educational programme with your son/daughter would be greatly appreciated.

Yours faithfully

A handwritten signature in black ink that reads "E. McGregor-Sloman".

Mrs E McGregor-Sloman  
Head Teacher
