

Please find below an overview of our home learning programme for all our learners in S1-6. This is not an exhaustive list and may not cover all available activities, but hopefully gives you an indication of activities in each subject. Please note that it is not always possible to give a mark or grade for every task submitted and often feedback may be in the form of comments only. Further information will be shared with students moving in to S4, S5 and S6 in preparation for their 'virtual' timetable change week beginning 4th May.

We hope you find this programme helpful in supporting learning at home whilst schools remain closed at present.

ART & DESIGN					
Year	Course	Topic	Level	Method/Platform	Frequency
S1	Art & Design	Expressive Art Skill Building: Drawing Hands Hockney Digital Art Hudertwasser Visual Elements Lichtenstin Pop Art & Literacy Lowry Built Environment & Perspective Quentin Blake Illustration	3rd	Show My Homework	There are 6 tasks, these should all take a minimum of 1 hour, however can be worked on for longer to achieve better results. 6 weeks' worth of work is available online.
