### **Schools for the Future**

#### **Design Proposals for Marr College**

Over the past year, the Council has been developing the plans for the new school works and would like to take this opportunity to show the updated proposals including the traffic management arrangements to be put in place after the summer holidays.

Open sessions have been arranged in the Marr College Main Hall on Tuesday 16 June 2015 to exhibit the design proposals for the new school works. Council Officers will be on hand to answer questions. The open session for the pupils and staff is between 12.00pm and 3.30pm. Parents and the community are invited to come along between 4pm and 7pm.

We hope you will take this opportunity to come along and see the exciting designs for the new school works. For anyone who cannot make it on the day, the design proposals will also be added to the school website project page and can be viewed from Tuesday 16 June 2015 using the link [www.marr.sayr.sch.uk/building-works-update](http://www.marr.sayr.sch.uk/building-works-update).

Yours sincerely
