Dear Parent/Carer

Following issues that were raised at the Parent Council meeting regarding fighting by a very small minority of students, I felt it important to update you on the situation.

Please be reassured that the school Behaviour for Learning system is being fully implemented. Details of this are in the student planner.

The Senior Leadership Team and staff are vigilant in their duty of care – keeping our young people safe. The incidents (mainly off school site) you may have heard about, are being dealt with immediately and sanctions for those involved are in place.

In school we will continue with our programme of education that both teaches and supports students in respect, discrimination and tolerance. Planned activities and specialist input from Medics against Violence and our campus Police Officer are already in place. Our senior students also buddy our new S1 cohort.

I hope that this will allay any fears you may have. In addition, your support in discussing our educational programme with your son/daughter would be greatly appreciated.

Yours faithfully

Mrs E McGregor-Sloman
Head Teacher
