Dear P7 parents/carers

P7 Transition Programme – Nov to Easter

Just a little update from Marr for P7 pupils moving to S1.

In November we started our programme of transition in some of your primary schools and are hoping to be able to continue to deliver the following to all primaries. However, in light of the COVID situation within our cluster, it may be subject to change.

P7 class teachers will keep in touch with Marr and relay any changes to the pupils and parents.

Transition Programme:

- **Health & Wellbeing lessons** - PE teachers with S6 students.
- **Mindfulness sessions** - trained S6 students.
- **Literacy project** - English department and P7 class teachers.
- **Numeracy project** – Maths department and P7 class teachers.
- **STEM project** - Technical department and Marr students.
- **Art workshop** - Art Department and S6 students.
- **Virtual Welcome Evening** for parents/carers 6-7pm in February

S6 and S1 pupils are looking forward to visiting each primary school, in January/February, to meet with the P7 pupils to answer any questions and to help P7 staff and pupils start to complete their transition booklets.

Newsletters from Marr will be sent to P7 class teachers to share with pupils/parents.

Marr will keep in touch with the primary schools regarding all further transition activities planned for after Easter.

Yours faithfully

G Hobson
Depute Head Teacher
