Dear Parent/Carer,

We are aware of further incidents of alleged indecent exposure near to the school and in the local area and have been working closely with Police Scotland over the past week. Previously, a CCTV image was circulated via the press and social media; however, there has not yet been a positive identification made and officers continue their attempts to apprehend the individual.

School staff, PC Harrower and both plain clothed and uniformed officers continue to monitor the areas around the school grounds to ensure the safety and wellbeing of our students and staff. Incidents have been reported on the cycle track adjacent to school and around the York Road and Willockston Road areas before school begins at 8.45am. The description of the person is white male, late 40's to early 50's, 6ft tall slim athletic build, wearing a black skull cap, black running jacket and black shorts, which are "Pearl Izumi" branded and black trainers.

Police Scotland have advised that any young people or adults who witness incidents should immediately dial 999 and report the matter to the Police. Members of the Senior Leadership Team, PC Harrower and Guidance staff remain on hand to provide support and advice to any students with concerns regarding these incidents.

If anyone has any information that could help with enquiries then please contact Police Scotland on 101, quoting incident 0486 of Tuesday, November 23, or make a call anonymously to the charity Crimestoppers on 0800 555 111.

Please be assured that we will continue to work closely with Police Scotland and our community to ensure all our young people feel safe on their journey to and from school.

Thank you for your ongoing support and understanding.

Yours faithfully
