

Preparing for Higher Environmental Science

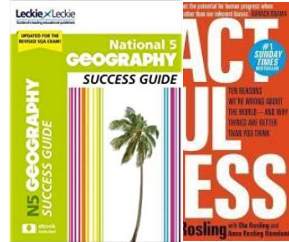

This is a guide to help you prepare yourself for the Environmental Science course. We are here to support and help all the way. Please continue to ask questions and check your understanding #marrstars

What can I read

All students will be provided with a study guide to help revise at home. Wider reading could include:

- National Geographic
- BBC News
- Guardian newspaper (online)

What can I watch

Lots of programmes are geographical. From Planet Earth to the Problem with Plastic to the News! General knowledge and global awareness are a huge benefit

Follow **@lenziegeo** for weekly updates

Where can I look online

- Download past paper questions from **SQA Past Papers**
<https://www.sqa.org.uk/pastpapers/findpastpaper.htm>
- **Quizlets** – search for 'Environmental Science'
- **Brainscape: ready made flash cards**
- **Youtube** Search for the key theme you are studying

Marr College

Get a twitter account and follow **@marrgeog**

Tips to prepare:

- Be organised from the start, have subjects in different folders and have notes in order
- Highlight key points and use flash cards
- Revise content from the start
- Interact with your teacher on GLOW Teams
