

Preparing for National 4 and 5 Geography

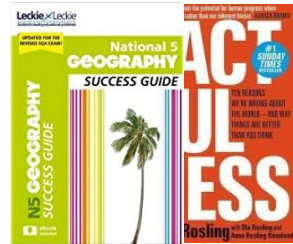

This is a guide to help you prepare yourself for the National Geography course. We are here to support and help all the way. Please continue to ask questions and check your understanding #marrstars

What can I read

All students will be provided with a study guide to help revise at home. However you can find success guides and course notes from family, friends and local shops. Wider reading could include:

- Factfulness
- Success Guides
- Prisoners of Geography
- National Geographic
- BBC News
- Guardian newspaper (online)

What can I watch

Lots of programmes are geographical. From Planet Earth to the Problem with Plastic to the News!

General knowledge and global awareness are a huge benefit
