Dear Parent/Carer,

S3 Learning Reviews

This year our S3 Learning Review Week will commence on Monday 29 January 2018. Following very positive feedback from parents last year we are once again providing an additional opportunity for you to meet with a member of staff (for approximately 20 minutes) to discuss your child's progress.

If you would like to make an appointment please contact the school office before Friday 26 January. You will also be able to discuss S4 option choices with your son/daughter during the meeting.

We are also hosting a Careers and Options Evening on Wednesday 7 February from 6 – 8pm which will provide further information on career pathways and learning choices.

My colleagues and I look forward to meeting with you once again.

Yours faithfully,

Mr G Hobson
(Acting) Head Teacher
