Marr College

S4, 5 & 6 SUPPORTED STUDY TIMETABLE 2026

Please find detailed below our Supported Study schedule for S4, 5 and 6. We would be most grateful if you would discuss this timetable with your child and encourage them to attend Supported Study as often as possible.

Please note, this is a guide and sessions may change on rare occasions. There may also be additional sessions offered by some departments, which will be communicated with pupils directly by individual departments as and when they arise.

Additional Information:

Art & Design Study Evenings

- The Art and Design Department run an open department, and all teachers are usually available most nights to ensure all pupils can access additional support and resources.
- Late Night Supported Study 3pm till 9pm will take place on Thursday 12th March all senior pupils are expected to attend.

Business Education Department

- The Business Department operates an open-door policy. Any student who would like to further develop their practical skills is encouraged to speak with their class teacher about accessing the PCs during lunchtimes.
- A Saturday Study Session will also be available in February/March for Administration & IT and Accounting students in preparation for the final SQA Practical Assignment.

Computing

- The noted Computing supported study sessions above will start in March due to Assignment work taking place in the department throughout February.

English

- Higher targeted supported study sessions will be starting in the department after the Prelim diet.

Maths

- Pupils should see department notice board for times as is it subject to change.

PE

- Higher supported study sessions will be communicated with pupils later in the term.
